## LARGE LOGO GRAPHGHAN

This PDF includes a 100 x 120 large graph of the Jurassic Park Logo. The graph is shared below in full and also broken down into 9 separate pages that you can print out and tape together, if you'd like a large, physical graph to work with.

Join the [Psychedellic Doilies Facebook Group](#) to share your WIPS and HOTH projects or to ask questions. I would love to see your finished blankets!
