Graph Crochet Pattern

by

Psychedelic Doilies

Below you will find the graph in full. For your convenience I have also broken it down into nine parts. You may choose to print these out and tape them together so that you have a larger graph to work with.

I have provided a black background graph as a color suggestion but have also included a graph with a lighter background to save printer ink and so the graph is easier to mark off for those who prefer a physical graph to work with.
